Hazardous Materials Commission

Re:  Application for Vacant Environmental Organization Seat #2 (Alternate)

Members of the Commission and Staff:

I am a volunteer member of the Martinez Environmental Group (MEG) which has nominated me to apply for the vacant Environmental Organization Seat #2 - Alternate.

I have been a Martinez resident for 25 years. I retired in 2008 after working 20 years for the City of Concord, initially as a city planner, then as Assistant to the City Manager and from 2001-08 as Department Head for Concord’s City Management Department under City Manager Ed James. I have attended Hazardous Materials Commission and Commission Committee meetings over the past year and believe my interests and background would assist the Commission further its mission.

Responsibility areas with the City of Concord included:

Establishing a Household Hazardous Waste program for Concord residents, first as manager of the City’s contract with a private firm, then as staff liaison to Contra Costa County’s Mobile Household Hazardous Waste Program and as Concord’s staff liaison to the Central Sanitary District’s Household Hazardous Waste Facility. I also managed Concord’s Solid Waste & Recycling franchise and was the City’s contact point for recycling and environmental issues.

As a volunteer member with MEG (www.mrtenvgrp.com) my areas of focus include:

- supporting the development of clean energy sources
- refinery modernization, air pollution reduction and air monitoring
- healthy communities and climate change
- issues regarding the shipment of volatile crude oil by rail
- expressing MEG positions to local, state and congressional representatives

I understand the time commitment required to serve as an Alternate to the Commission and look forward to an opportunity to serve my community in this capacity.

Sincerely,

Peter Dragovich

Martinez, CA 94553
